#### **Mission Statement**

The Mission of Joshua's Great Things:

- To fund much needed pediatric brain cancer research
- To help families when they need it most through our Family Support Program

Dear Supporters,

We look forward to preparing our annual report because it gives us a chance to look back and appreciate all that has been accomplished. The past year was filled with wonderful opportunities to grow and reach families affected by pediatric brain cancer. Some highlights were:

- Helping 35 new families through our Family Support Program.
- Working with Social Worker at local children's hospital to help a family with a challenging emergency need situation.
- Presenting \$47,000 to St. Louis Children's Hospital to continue research focusing on better ways to treat children battling brain cancer.

Joshua's Great Things is tax-exempt under Section 501(c)(3) of the Internal Revenue Code. Donations are tax deductible to the extent allowed by law.
